

**A POEM OF COMFORT AND HOPE FOR THE PEOPLE OF THE UNITED STATES OF AMERICA AND ALL NATIONS, WHO ARE LIVING IN THE GRIP OF FEAR OR LOSS FROM THE CORONA VIRUS PANDEMIC. WORD OF FAITH MINISTRIES INTERNATIONAL-MIAMI OFFERS THE FOLLOWING ADVICE, AND A POEM OF COMFORT AND HOPE**

**BY BERN ZUMPARO, MD**

**A Poet, and International Director, Word of Faith Ministries International-Miami**

1. **SET YOUR HEART NOT TO LIVE IN FEAR.** If you have, simply repent and tell God your sorry. In the Old Testament Book of Job, the patriarch said:

“What I **feared** has come upon me, what I dreaded has happened to me.” (Job 3:25)

2. **FAITH (TRUST ON CHRIST) IS A SHIELD.**

“in addition to all, taking up the **Shield of Faith** with which you will be able to extinguish all the flaming arrows [spiritual/physical attacks] of the Evil One.”

(Eph.6:13-16)

3. **Read Psalm 91** aloud over yourself, spouse, children, grandchildren, “all loved ones. Church and ministry people, our President, Vice-President, their Cabinet members, all of their loved ones, the members of Congress and over all the people of the United States and all nations, daily.

**THE SUN WILL SHINE, AGAIN, FOR YOU**

“But for you who revere My Name, the Sun of Righteousness will rise with healing in His wings.” (Malachi 4:2)

Your Sun will shine again, for you  
just as in days that passed,  
to bring you hope and happiness,  
again, that lasts and lasts;  
and 'tho there may be shadows fall,  
and skies be overcast,  
and trials bring forth those memories  
of lingering hurts that passed-  
the Sun will still break through for you,  
to bring you joy at last.

You must take time to to look around  
with every newfound day,  
and see the life in trees and flowers  
and birds that seem to say,  
that all life brings harmonious hours  
of joy and peace that play-  
a role in showing hour by hour,  
how you should walk your way.

Forget the tide of grief and fears  
that wear away the years,  
and steal from you the passing joys  
that set aside all tears;  
with hope and confidence be strong-  
forge on without dismay:  
the Sun will shine again, for you  
with peace at end of day.

The years will pass, they never last  
as seasons pass you by;  
basking in the Sun as you,  
in windswept grasses lie.  
The tender breeze across your brow  
is feign to yet embrace-  
and kiss with gentle love, somehow  
each frown from off your face.

Creation calls to comfort you,  
and God will see you through  
as Heaven reaches down, anew,  
each time you're feeling "blue".  
Be not dismayed, then, nor discouraged  
to face each passing day-  
Heaven has heard so be encouraged  
for God is on His way.

The Sun will shine, again, for you  
and grief will pass away.  
He'll turn your skies from gray to blue  
and see you through each day.  
Rise up and trust in God, above-  
fear not what comes your way;  
Grace seeks His own to bask in love  
forever and a day!

The Sun will shine again, somehow  
and keep you from dismay-  
and love and time and grace, allow  
to keep you on your way.

The Sun will shine for you, again  
and green will be your vale-  
and nothing more will life rescind  
and neither will you fail.

So celebrate that which is true,  
and even more, the day;  
the Sun will shine again, for you,  
and you'll be on your way.  
What have you lost and at what cost?  
God says He will restore.  
He'll bring back all that has been lost  
with joy, forevermore.

The Sun will shine, again, for you  
as sure as day meets night-  
new mornings, then, come following through,  
and Sun, again, shines bright.  
So be at peace for God's with you,  
to bring you your delight-  
the Sun will shine again for you  
as you seek sweet respite.

There is no need to fret or fear,  
God's Spirit makes things clear,  
He'll be there when we call on Him-  
a Faithful Friend, and dear.  
He is the answer to each plight-  
call out, He'll lead to Light!  
The Sun will shine again, for you  
to cancel dark of night.

Repentant hearts are always dear

to God, they fill our need;  
a humble call , knee bent and all,  
brings help and we are freed.  
There is no sin He can't forgive  
if only we receive,  
and turn our hearts to Him, again,  
deciding to believe.

He'll come to you in night or day  
with healing on His wings,  
He hears your prayers and really cares  
to mend and heal all things.  
He'll make the Sun to shine again  
within your heart each day;  
for Heaven's bent to see  
you through and God will have His way!

The Sun will shine again, for you  
I know- it did for me.  
I lost a wife, two children, too-  
but God caused me to see.  
“They are not gone but just away,  
“all live to Him”, said He-  
“and you will see and be with them,  
eternally with Me.”

The Sun will shine again, for you-  
let each have ears to hear,  
and also having eyes to see  
that God can still give cheer.  
Reach out to Him. He'll see you through  
whatever be your plight,  
He'll be a Faithful Friend to you,  
to guard you day and night.

Somehow, the Sun will shine for you,  
again, I know and say-

He'll be there with His healing hand  
and lift you up each day.  
A simple prayer from heart, not head,  
is all He wants to hear,  
and He'll respond to heal the land  
if we just persevere.

So be at peace with sweet release,  
disease and strife will cease;  
new lease on life will come from Him-  
and you will be at peace..

The Sun will shine again, for you  
as sure as night meets day-  
I know that in my heart it's true,  
that's all I need to say.  
So celebrate the gift of life-  
be forgiven and forgive,  
forsaking evil ways and strife  
and choosing, then, to live.

Your Sun will shine again, for you  
and bring you through the night,  
to comfort you and see you through  
and lift both hopes and sight;  
so look up now to see blue skies-  
He looks down with delight,  
to bask you in His healing love  
as it dispels the night.

So when the Sun breaks through to you  
and lifts your spirit in flight,  
and causes you to soar to heights  
unknown and with delight-  
now freed, then, from the dark of night  
and freed, too, from your plight,  
you'll know then, that He saw you through-

you've come into His Light.
